Dear Sir,

Sub : Supply of Oilless Guide Elements for our Press Tool Dies.

This refers to our above Purchase Orders placed on you for the supply of Oilless Guide elements for our Press Tool Dies.

In this respect, we would like to inform you that, we have used the subject item in our various Press Tool dies. We have checked the performance of the item upto 2 lakh shots and it is found to be satisfactory.

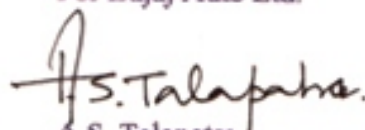

The above item manufactured by you is a very good import substitute and is very much Compatible to imported Oilless Guide Elements in terms of quality and performance.

Thank you very much for developing the item indigenously.

In view of above, we are glad to inform you that you are approved as regular supplier for the item.

Thanking you,

Yours truly,
For Bajaj Auto Ltd.
